

MANUAL OF POLICY

Title: Student Life	Number: Page: 1 50-37
SCBTCE Other Legal Authority: Area Commission	Effective Date: Revised: 7/21/2004 Revised: 11/19/24

The College believes that the provision of a viable and effective student activities program serves to complement academic instruction which ultimately facilitates the development of the total student.

The Office of Student Life is intended to provide leadership opportunities, establish supplemental learning experiences, and encourage group interaction among on campus and distance learning students. This is accomplished through student governance, student organizations, planned activities, and appointments to College committees.
